Sprint team members

Name	Role
Adam Goodman	Scrum Master/Product Owner

Previous sprint summary

Not applicable

Sprint Details

Start date	July 10, 2023
End date	July 20, 2023
Sprint Mission	To allow Users to create associated Profiles, upload a Profile photo, establish a geographic location via latitude/longitude, and connect their Profile to an Instagram account.

Sprint Documents

- [Kanban Board](#)
- [Burndown Chart](#)
- [Velocity Report](#)

Capacity planning

	Current sprint	Previous sprint
--	----------------	-----------------

Total days	10 days	14
Team capacity	100%	100%
Projected capacity	57 points	37

Note: Estimated 4-7 story points per working day (10). Approximately one deliverable per day.

Risk	Mitigation
Instagram API Integration	API authorization may require a waiting period from Meta.
Heroku Active Storage	Heroku does not retain local storage. An alternative method must be devised for photo storage.
